

2024-25 Suggested Supply Request

Lake St. George Elementary 4th Grade

The 4th-grade teachers want to make things easier for our parents when buying school supplies for the next school year. We will purchase ALL needed supplies for everyone. By doing this, items can be bought in bulk, which means a savings for all of us. We are asking that **each family donate \$20.00** to help cover the cost of these expenses. At the start of school, and throughout the year, we will provide your child with all the supplies needed for a successful year.

FAMILIES WILL NEED TO PURCHASE:

- Headphones **MUST** be provided by each family **AND** must stay at school (or in their laptop case). Your child will need to use the headphones daily in class.
- Personal “spill proof” water bottle, filled with plain water daily.

If you are interested, the following are some additional items that we will need to keep the classroom running smoothly. These are not school supplies, but rather items used by the whole class. If you would like to donate any of these things, it would be greatly appreciated! Feel free to send them in at any time!
