Student Services Team

Curlew Creek Elementary

2020 - 2021

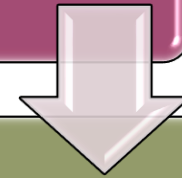

Who does our team include?

- Mrs. Dee James, School Counselor
- Mrs. Erica McKnight, School Psychologist
- Mrs. Emilie Durden, School Social Worker

What do we do?

Our student services team works collaboratively to best meet the needs of our students and families.

Each of us have a unique role and certain areas of expertise.

Self-Actualization

Student Is Available to Learn

Esteem

Positive Classroom Culture Present
(positive feedback, time for reflection,
encouragement to take risks)

Belonging

Forming Relationships
(advisory, adult role models, friendship
groups, peer relationships)

Safety

Emotional and Physical Safety
(clear school/class routines, access
to counselors/nurse, ok to take risks)

School Counselor

- **Individual counseling services** are available on an as-needed or a limited ongoing basis for students.
- **Small group counseling services** developed based on the needs of our students. These groups occur during lunch time and require parental permission.
- **School-wide classroom lessons** are taught to every student and focus on social-emotional learning as well as personal safety issues.

Support is offered to families and teachers in addressing the needs of their students.

School Psychologist

School psychologists provide direct and indirect services for children, families, and schools within five broad domains including:

- **Interventions and Instructional Support to Develop Academic Skills.**
- **Interventions and Mental Health Services to Develop Social and Life Skills.**
- **School-Wide Practices to Promote Learning.**
- **Preventive and Responsive Services.**
- **Family-School Collaboration Services.**

School Social Worker

- School Social Workers are the link between the home, school and community. They provide direct as well as indirect services to students, families and school personnel to promote and support student success.
