10 min. Pow Wow Parade

- Kelly's Vision: Starkey Bear (costume), float created by parents (trailer), STEM students can get involved in helping, magnets for cars, blue and yellow buckets for kids to carry. Update posters that kids carry. Think about more uniform shirts (all PTA shirts or club shirts). Hand shirts out to kids at the parade and collect at the end. Funding: bear costume is about \$200 (set up budget with PTA for Pow Wow). Get a Pow Wow committee together. Budget goal is \$500. Committee meetings will start in January ("save the date" in December). Kelly will reach out to STEM and Student Council parents. Pow Wow is 3/9/19.
