Dear Parents,

Reading is the cornerstone for academic success, but children don't spend enough time reading during the summer vacation and regress in their reading progress. To encourage Seminole Elementary students to read, we have developed a summer reading program called "Seminole Strong Super Readers". Students in Kindergarten – 5th Grade who meet the requirements below will receive the following:

- A Skate Party at Astro Skate with the Principal & Assistant Principal
- A Reading Achievement Medal (for students who take and receive 80% or higher on a minimum 3 Reading Counts tests
- Students name printed in our Seminole Elementary Times newsletter

The criteria for students in grades Kindergarten – 2nd Grade:
Read 25 books during the summer and keep record of the books read and author on our reading log. Have parents sign the attached form to verify the books that you have read.

The criteria for students in 3rd – 5th Grade:
Read 1,000 pages from chapter book or books that are on your independent reading level during the summer and keep record of the books read and the author. Have parents sign the attached form to verify the books that you have read and return this form to your teacher.

Please utilize the attached reading verification form and return to your child' teacher no later than **Friday, August 28, 2020.**

Enjoy summer vacation and encourage your child to read each day!
