Sharon Wilson  
Assistant Principal

Dear Parents,

Reading is the cornerstone for academic success, but children don't spend enough time reading during the summer vacation and regress in their reading ability. To encourage Seminole Elementary's students to read, we have developed a summer reading program called "Summer Readers Are 'Dog-On' Good Readers". Students in Kindergarten – 5<sup>th</sup> Grade who meet the requirements below will receive the following:

- A hot dog cookout with the Principal and Assistant Principal
- A 'Dog On' Good Reader Certificate
- A Reading Achievement Medal (for students who take and receive 80% or higher on a minimum 3 Reading Counts tests on books logged on form)
- Students name printed in our Seminole Elementary Times newsletter

### **The criteria for students in grades Kindergarten – 2<sup>nd</sup> Grade:**

Read 25 books during the summer and keep record of the books read and author on our reading log. Have parents sign the attached form to verify the books that you have read.

### **The criteria for students in 3<sup>rd</sup> – 5<sup>th</sup> Grade:**

Read 1,000 pages from chapter book or books that are on your reading level during the summer and keep record of the books read and author. Have parents sign the attached form to verify the books that you have read and return this form to your teacher.

Please utilize the attached reading verification form and return to your child' teacher no later than Monday August 26, 2019.

In addition, attached you will find the Barnes and Nobles Summer Reading Journal and information on the Reading with the Rays program. Students who read and log 8 books can receive a free book at Barnes and Noble. Students who complete the requirements for Reading with the Rays will receive a free ticket to a Tampa Bay Rays baseball game.

Enjoy summer vacation and encourage your child to read.
