

Principal's Message - October 20, 2023

Good evening from Principal Beekman at Starkey Elementary.

Next week, October 23rd through the 27th is Red Ribbon Week. Daily themed activities are planned for each day to celebrate being drug free. A flyer went home but you can also check out our website for daily themes.

Report cards go home on Thursday, October 26th. I hope you take time to review the marks with your child. Involving your child in discussions about successes and challenges will send an encouraging message of valuing education. Principal's List, Honor Roll, and Perfect Attendance recipients will be rewarded with a dance celebration on the morning of October 30th. Principal's List recipients will also be rewarded with a non-uniform pass for that day.

Make sure you mark your calendar for PTA's Fall Festival and Trunk or Treat at Starkey on Friday, October 27th, from 5:00-7:00 pm. Tickets are \$5 per student; adults are free. Tickets will be sold before and after school next week next to the flagpole on Tuesday, Wednesday, and Thursday. You can also get tickets from the QR code sent home on the flyer and on our PTA website. If those options don't work for you, no worries. They will also be sold at the door. We hope to see you there!

Thank you for your support. Good night.
