Behavior & Attendance Updates

-38 referrals; this time last year we had 22

-Bully reports are investigated and 7/22 have been substantiated. These students (bully and victim) meet with Mrs. Knapp to follow up for at least 3 weeks. New program was rolled out in January but there have been technical glitches.

-13% absent 10% or more; a lot of illness

Crisis Plan

-Reunification Plan-first alternate site is Starkey Baptist Church, second site is Osceola Middle; Secretary will have "go box" with emergency cards and teams will verify parent/guardian for pick up by asking for ID, verify ID on placement card, sign out sheet; all other teachers will locate and pull students at time of pick up.

SIP Budget

-Used \$1617.36-payroll/subs, supplies

-Balance \$3122.39

Pow Wow Parade

-Jungle Book theme is difficult to find. Ordering fringe and garland for float, Jennifer Lai is working on palm tree donations, big stuffed animal snakes to wrap around palm trees. Maybe use paper mache to make snakes. Ask Ms. Leisch if she can make a big "Jungle Book" book for the float as a centerpiece.

-Signs: change lettering to solid blue, make a border for each board (yellow with blue splatter?).

-Shirts waiting for proof/being ordered: 25 youth medium, 25 adult small, shirts for Chaffin, Harris, Moravick.

-Borchardt wearing bear costume.

-Need yellow and blue buckets.

Open

-SAC meeting at 3:00 on 3/3/19 to put Pow Wow float together.
