Leader In Me – 7 Habits

- Habit 1 – Be Proactive
- Habit 2 – Begin With the End in Mind
- Habit 3 – Put First Things First
- Habit 4 – Think Win-Win
- Habit 5 – Seek First to Understand, Then to be Understood
- Habit 6 - Synergize
- Habit 7 – Sharpen the Saw

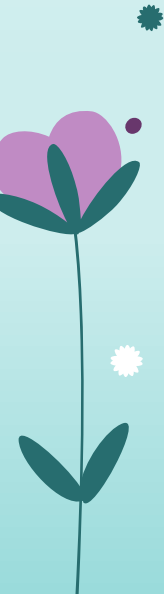

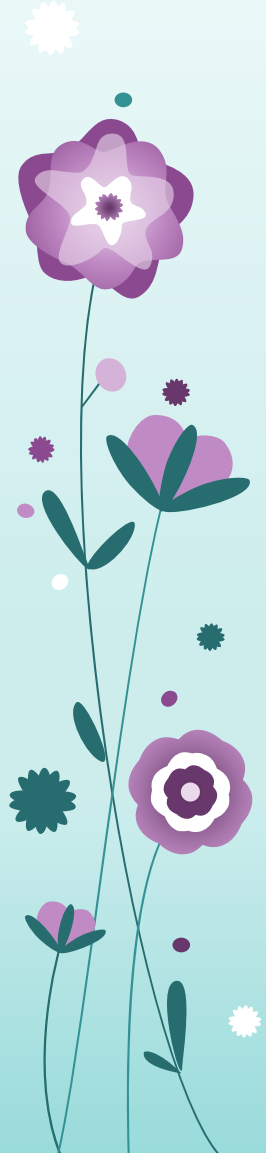

Let's Get to Reading...

Let's get talking!

- Parents we could use your help!
- Students are needing to improve their overall oral ability. A great way to do this is to work with your child on using a complete sentence when responding to any question!
- For example: How was your day at school today?
-Response: My day was at school today was
- Great conversational starter included in the packet!

KNOW YOUR FACTS!!!

Parents data has shown that students who are fluent with their multiplication facts find it easier to meet the 5th grade math expectations.

There are so many fun ways to do help us with this!

I  Math.

MANIAC MATH!!!

Math summer fun!

(located in the folder)

- The packet starts with a list of activities that will help you support math learning at home!
- We have included a cheat sheet for multiplication and division. *** Parents please note that these have changed!
- Multiplication chart to help quiz your student!
- Place value chart. Students need to recognize through the millions place value.
- Fractions conversion chart
- Math games- Multiplication war (cards included)
