

Principal's Message - January 19, 2024

Good evening from Principal Beekman at Starkey Elementary.

Literacy Week starts Monday, January 22nd, and will be jam packed full of reading fun. Information was sent home about the fun activities planned for the week.

Due to Class Picture Day being on Tuesday, January 23rd, we cancelled that dress up day. Please have your students come to school in uniform on Tuesday.

However, students can still participate in Wednesday's dress up day even though it's Club Picture Day. I am sure those pictures will be priceless too.

Other activities include Literacy Night on Tuesday, January 23rd, from 7-8 pm.

PTA will be hosting a free dinner beforehand at 6 pm followed by a General Assembly Meeting at 6:30 pm. As a reminder, I will be doing a State of the School address during the meeting.

Mark your calendars for Starkey's Annual Jog-A-Thon February 5th through the 9th. Pledge sheets with more information will be coming home with your student next week. 100% of the proceeds will benefit classroom materials and schoolwide needs here at Starkey.

Thank you, and good night.
