

Principal's Message October 13, 2023

Good evening from Principal Beekman at Starkey Elementary.

This Monday, October 16th, is a Pro-Ed Day and schools will be closed for students.

National SAVE Day is Wednesday, October 18th. SAVE stands for Students Against Violence Everywhere. On this day, students and staff are encouraged to wear orange shirts in remembrance of the young man, Alex Orange, who was killed by gun violence. His friends created the first SAVE Club in 1989. Our SAVE Club includes select 4th and 5th graders and is coordinated by our counselor, Mr. Salyers, to help students feel safe and heard. Regular uniform bottoms should be worn.

October 23rd - 27th is Red Ribbon Week. Red Ribbon Week is the largest drug prevention campaign in our country. Look for information coming home with fun and creative dress up themes for each day of that week!

Thank you and have a restful weekend.
