

Principal's Message – October 15, 2024

Hello Starkey Families,

I hope that this message finds you and your loved ones safe and sound. We have all been through so much in such a short period of time, but we are all in this together. If you are in need, please reach out so that we can connect you with resources. We are working hard to make sure that we are ready to open and welcome your children back to school tomorrow. If your children will not be able to come to school, please reach out to the teachers so that we know that they are safe. We are all going to have as much grace and flexibility as possible, as we move forward this school year. There will be many things that need to be rescheduled. Please be patient with us as we figure it all out. Communication will be coming from the district as well as the teachers in terms of new dates and plans for events.

Again, please reach out if you are in need. We are a school family and want to support each other through these trying times.

Sincerely,
Ms. Kranzel
Principal
Starkey Elementary
