Mission: All Northeast High School students will graduate and be prepared for post secondary choices including

Core Values

*Students, teachers, parents, business partners and the community share the responsibility for implementing our school's mission.

*A safe and physically comfortable environment promotes student learning.

*Students learn most effectively when they are active participants in their learning process.

*Literacy should be an emphasized and an ongoing school-wide objective.

*Students should be provided opportunities for real world experiences, with an emphasis on college and career ready academies.

*Through the Advancement Via Individual Determination (AVID) college readiness system, students will become active learners preparing themselves for entry into college.
