A screenshot of the Peachjar user interface. On the left is a sidebar with a green header "My Account" and three menu items: "Training Tools", "Notification Preferences", and "My Account Information". The main content area has a teal header with the text "Peachjar only delivers school-approved eflyers. Nothing else!". Below this is a table with columns for "Default", "District", and "School". The "Default" column has a radio button selected. The "District" column contains "Pinellas County Schools". The "School" column contains "Leila Davis Elementary School" and a "Remove School" button. At the bottom of the table are three buttons: "Add School(s)" (green), "Remove all Schools" (orange), and "My Account" (green).
