## **What Is Title I?**

Title I is a federally funded program designed to address the academic needs of students and to assist them in meeting the state's high standards, particularly in the areas of reading, writing, science and mathematics. The Pinellas County School District receives funds based upon the number of students who are eligible for free or reduced-price lunch.

## **What Is a Title I School?**

Title I schools are determined by the percentage of students at each school who are eligible for free or reduced lunch. At The BCBS, the following items are funded by Title I and support our school:

- Three core academic teachers to lower class sizes
- One instructional literacy coach
- Additional time for our part time Volunteer Coordinator
- Supplemental instructional resources for core subject areas
