WELCOME FALCON FANS

TO THE 2020 FOOTBALL SEASON >>>

DEAR DUNEDIN COMMUNITY,

On behalf of Dunedin High School, I welcome all students to participate in our interscholastic sports programs. Sports are an excellent way to grow emotionally as an individual. I know that athletics played a major role in helping prepare me for college and the adult world. Because of sports, the lessons of my coaches, and the games I played, I developed skills in time management, problem solving, delegation, motivation, and team building.

Dunedin Athletics participate in the FHSAAA (Florida High School Athletic Association). All rules and regulations handed down by this governing body will always be adhered to, especially with our structure, order and procedures during this time with Covid-19.

As a part of the Dunedin athletic family, our expectations for you are like your own family's expectations. Act responsibly as you represent our high school and school district. Remember that you are an ambassador for everyone who attends our school. How you act and react to situations reflects not only on you, but also on your parents and peers. As a student athlete, you have academic and athletic responsibilities. Study, go to class, practice hard, and do your best to excel. Take pride in the opportunity to represent all of us in a first-class manner.

The Dunedin Athletics philosophy is that the student athlete's pursuits on the field should be equally measured with those off the field as well. To that end, a Dunedin athlete should pursue personal growth through academic work, team experiences, and as an ambassador of our district. You should maintain a sense of ethical responsibility. Our sport teams strives to maintain an outstanding athletics program, conducted in a manner that sets an example for good sportsmanship.

Our primary concern is the education of the student-athlete. We expect all who choose to participate in our sports programs to be responsible student-athletes. We hope you will take full advantage of this opportunity to get a top-notch high school education while participating in our athletic programs.

Please remember that the coaches and administrators are here for you. Our goal is to help you succeed in life. Once you have graduated, we hope you will remain involved with the district as a member of the Dunedin High School alumni.

Go Falcons!

>> A MESSAGE FROM THE FOOTBALL

HEAD COACH

DEAR FALCON FAMILY & GUESTS,

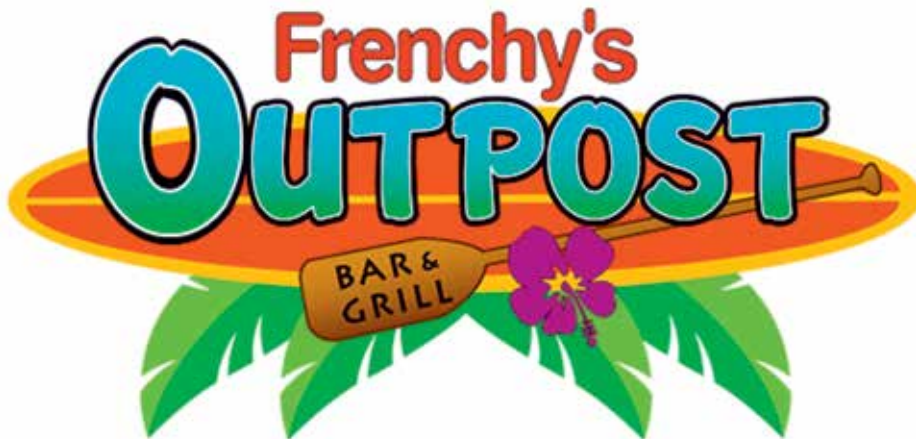

Welcome to the 2020 season and tonight's game here at the legendary Dunedin Memorial Stadium! If you are new to our home, welcome! If you are an alumni, we thank you for returning to your home!

Our coaching staff is excited about the upcoming season, coming off of an historic season and looking forward to our 4th year as a staff here at DHS! We are very proud of the young men who are in the football program here at Dunedin. They made a lot of sacrifices and commitments to make this program better. Our players went through study halls, even during the offseason, and went through four months of intense offseason lifting and conditioning in the spring. In the summer, our guys continued to push hard in the weight room and on the field, as well as work on their character and leadership through team activities. The pride that these young men display makes us proud to coach them and makes us excited about the future of Dunedin High School Football.

In closing, we thank you for attending tonight's game and hope that you make our games your Friday Night destination! Go Falcons!

Sincerely,

Mitch Disney
Varsity Head Coach

Mitch Disney >> VARSITY HEAD COACH

Coach Disney is going into his fourth season as Dunedin High's Head Football Coach. Coach Disney joined the Falcons in late June of 2017 and is now coming off a 5-5 season in which the Falcons broke a 43-game losing streak and first winning season since 2012. The team also earned its first homecoming win since that same 2012 season. The Falcons scored 306 points in 2019, the most since 2008 and second most in school history. Coach Disney was named FACA Pinellas County Coach of The Year and named Coach of the Week by The Tampa Bay Buccaneers this past season. He was also named as a North County All-Star Coach for the 4th time in his career.

Coach Disney came to Dunedin High most recently from Northeast High School in St. Petersburg, where he was an assistant coach for three years in various roles, such as Run Game Coordinator, Special Teams' Coordinator, Offensive Line coach, Receivers' Coach, Special Teams' Coordinator, and JV Head Coach. During Coach's time at Northeast, the Vikings improved dramatically. The Vikings were 1-9 and offensive production was below a touchdown per game. Coach Disney guided an offensive line that help guide Pinellas County's leading rusher for 3 straight seasons (2014 Tavon Jones, 2015-16 Shaq Johnson). During his tenure as a Receivers' Coach, he coached a

player who went on to be All-State his sophomore year (Khaishef Edwards). During Coach Disney's one season as JV Head Coach, the Vikings went 5-1. As a varsity assistant, the team went from being 1-9 in 2014 to 7-2 in 2016. The team went from scoring 6.8 points per game in 2014, to 27 points per game in 2016. The team also had over 3000 yards of total offense in each of Coach Disney's last two seasons as a Viking. Coach helped guide Robert Ferguson, Cole Villeneuve, Khyri Wright, Devin Bowers, Shaq Johnson, Marcel Scott, Eric Rumph, Marcus Wynn, Keith Jackson, and Jovanni Mitchell to play at the college level. Coach Disney also coached track at Northeast, coaching a thrower to states (BJ Miles).

Before arriving at Northeast, Coach Disney spent three seasons at Tarpon Springs High as Assistant Head Coach, Offensive Line Coach, and Receivers' coach. Coach inherited an offensive line that consisted of four sophomores and a freshman. That line went on to post a 6-4 record and help an offense average 31.4 points per game and over 3000 yards of total offense in 2011. In 2013, the team improved on that average to over 32 points per game. The Spongers posted 2 winning seasons and 1 playoff appearance during Coach Disney's tenure in Tarpon. He also help guide Dondre Daley, Nik Kessel, Louie Pappas, Allen Wilson, James Pawelczyk, Connor Donovan, Colin Walsler, Louie Zervos, and Mitchell Wilcox to play at the college level.

Coach Disney's first coaching tenure was at his alma mater, Seminole High School, where he served as JV Head Football Coach after his playing career was cut short due to injury. The team was 0-7 before Coach's arrival and during his four seasons, the team improved by one win each season. During his time at Seminole, Coach Disney helped guide Dalton Schomp, Trevor Sand, Trevor Ralph, Jaxon Parker, and David Johnson to play at the college level and one of his players, Brett Phillips, is a current outfielder for the Milwaukee Brewers.

Coach Disney is a native of Seminole, Florida and has been an English Teacher in Pinellas County for over a decade. He is a graduate of the University of South Florida, with a degree in English Education. Coach Disney is a graduate of Seminole High School and was a member of the 1st undefeated regular season in school history.
