

Bobcat News: January 23rd Edition

R.O.A.R.S.

Respectful, Ownership, Always Determined, Responsible, Safe

Good evening, Brooker Creek Families, this is Kristie Gerber, Assistant Principal, and welcome to the January 23rd edition of the Community Bobcat News. Please be aware there will always be an e-mail sent out in addition to this call with links, pictures, and/or additional information.

This Week at the Creek

Second Grade went on a field trip to Ruth Eckard Hall to see Gruffalo's Child. I hear the show was AMAZING. More Health met with our 4th grade students to talk about Bike Safety.

This morning, we had an active assailant drill. These drills are an important piece of our campus safety plan. In the event of a true emergency, I am confident that our students will know exactly what they should do.
