

Summer Off-line Learning Choices Week of July 6

Pick one to two activities a day to do with your child. Remember to have fun!

EVERY DAY Reading together is one of the most important activities you can do with your child. Use books you have at home or visit websites like [Storyline Online](#) or [Unite for Literacy](#) to read online. Or you can visit our [Readers Notebook](#) that includes poems and rhymes your child may already know. PCS students can also log into myON's digital library through Clever. Happy Reading!

Alphabet Book

Read the pages you have added so far. Now add the names of some of your favorite animals and things that live in the sea. You can use photos or draw pictures.

Ss page

I Spy a Letter

Describe letters you see around the house using attributes to describe them. (e.g., "The letter I see has one tall stick and two short sticks... what's my letter? That's right it is the letter F). Once children guess the correct letter, ask them how they knew it was the correct letter.

Body Letters

Working together, build letters using your bodies. Which letters can you make by yourself and which letters do you need more than one person?

More, Less or Equal

Gather 10 small items from around the house (e.g., coins, small toys, etc.). Divide the objects between each person. Ask the child to count each person's objects and determine who has more, who has less or are they equal amounts. Repeat using different combinations and amounts.

Soapy Water Play

Fill a bucket or large bowl with water and a little soap to make it sudsy. Gather small items from around the house that can get wet (toys, plastic baby dolls, cars, plastic plates, cups, etc.) and have a sudsy wash party.

Let's Count

Go on a hunt around your house or outside and collect 5 of the same/similar items to count. (e.g., coins, toys, sticks, leaves, etc.). Can you find 3 more? How many do you have now?

+

Paper Plate Fish

Using a paper plate, crayons, markers, or whatever you have around the house. Make a paper plate fish and decorate it. If you don't have a paper plate you can use plain paper.

Name Game

Gather items around your house that begin with all the letters in your name. If you don't have an item for every letter, you can draw a picture. (e.g., My name is Sam)

Story Time Illustrator

Together make up a story. It could be about things that live in the sea. Using plain paper, crayons or markers encourage children to create the illustrations for the story.

Drive in Movie

Line towels in rows on the floor as cars in front of the TV. Turn the lights down and show a movie. Make and sell homemade tickets and refreshments (real or pretend).
