

At Sutherland Elementary your child receives individualized reading instruction through the use of Istation, a computer-delivery reading program. Students can continue on their individualized learning path outside of school with unlimited access to Istation Reading at home!

You will need the following login information for your child to gain access to Istation Home.

School/Domain: sutherland.pinellas.fl

User Name: PCS Username without period (example R2D2)

Password: PCS Password with s. (example s.12345678)

Istation can be accessed at home from Ipads or computers. If using from a computer you must download the program. Directions for installing Istation Home can be found at www.istation.com/Install. If you are having difficulty installing Istation please read the install instructions for your operating system.

When asked for "Default Domain" start typing Sutherland in the space provided and you will see a list of schools. Click and choose our school name.
