NOTIFICATIONS

Mission

To honor student achievement and leadership, promote education excellence, award scholarships and enhance career opportunities for the NTHS Membership

NTHS Is committed to

- Providing the **highest quality recognition** for outstanding students in career and technical education
- Supplying **excellent service** to our diverse and multi-cultural membership and member schools
- Providing **scholarship opportunities** for its members
- Creating new and emerging relationships between the educational community & business & industry

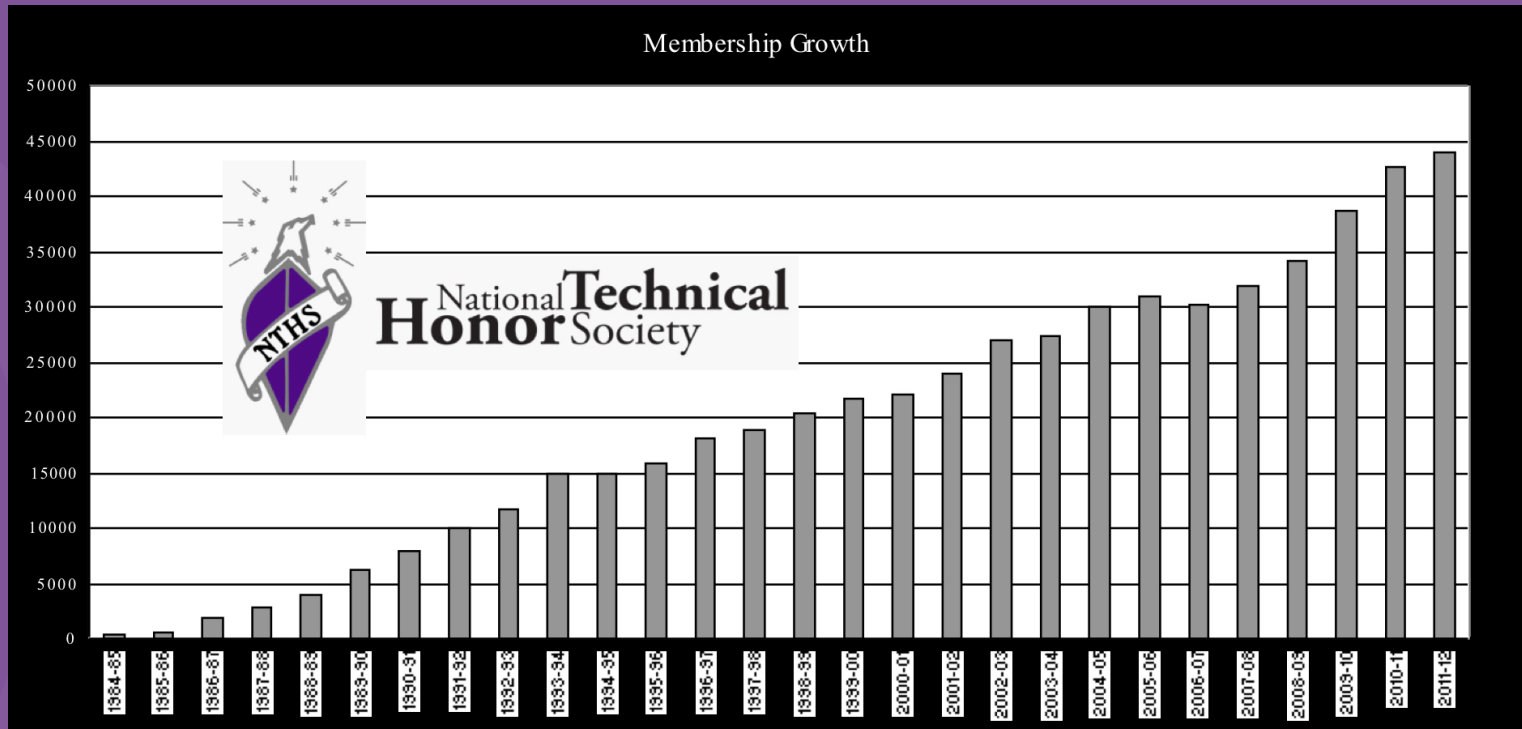

History

- Established
- In 1984 by Allen Powell and Jon Poteat
- Not for profit organization
- Recognizes outstanding students in vocational education
- Improves the image of vocational education
- As the image of career and technical education improved and the word “vocational” became obsolete the name of the organization was changed in 2003 to National Technical Honor Society

NTHS has seen continuous growth since its inception
