**JUNE 21-JULY 15
MONDAY-THURSDAY
8:30 A.M. TO 1:30 P.M.
TRANSPORTATION AVAILABLE**

NEW! ELECTIVE OPTIONS

The Summer Bridge Middle School Program helps students develop and strengthen skills in math, reading, science, or social studies with a blended learning model of technology, small group instruction, manipulatives and hands-on labs or project-based learning. Course recovery courses will also be offered to eligible students in math, science, social studies and language arts.
