

23-24 Bay Point Middle School: Extended Learning Program (ELP) – Tutoring

Application

Print Student Name \_\_\_\_\_ Grade Level \_\_\_\_\_

*Extended Learning Program begins September 2023*

Bay Point Middle offers additional learning opportunities, at no cost to our Parents, that assist our student with meeting and exceeding science, math, writing, reading, language arts, and civics standards.

Your child’s active participation in ELP will provide additional support in helping them to learn and successfully meet required state standards needed to achieve high school graduation requirements. We strongly encourage that each of our students will take advantage of this wonderful support that enhances learning and strengthen achievement.

**Parent and Student Expectations:**

- ELP is voluntary and by attending my child is expected to participate
- ELP tutoring will be computer based for Reading, Math, Science, and Civics
- ELP tutoring is not graded
- Homework assistance will be available for students needing additional support
