

WE WANT

you
IN THE YEARBOOK!

We are working hard
to create a **yearbook**
that will be packed

full of

fun
photos, and we need your help!

PHOTOS WE NEED - CHOOSE 2 OR 3 TOPICS

YearbookOrderCenter.com

Our School Number is: **#202**

PHOTOS DUE
DATE March 12,
2021

All items submitted must be school appropriate and meet the rules and expectations of our school system. Submissions that violate this will not be used.

We will not be able to include in the yearbook every image we receive, but we will try our best to include at least one image of every student who submits a photo. That's why we recommend you respond to only 2-3 of the photo-collection campaigns. If you respond to all of our photo-collection campaigns, we will NOT be able to include you on all of those pages because we need to include other students, too. Thank you
