

Summer Camping Program:

The Florida Sheriffs Youth Ranches will be conducting five and six day sessions of summer camp at each of its two locations. The goal is to provide a wholesome atmosphere and positive camping experience for deserving boys and girls of Florida between the ages of 10 and 15.

The camp also provides an opportunity for Deputy Sheriffs and other Law Enforcement Volunteers to get personally involved with the campers and build positive, healthy relationships. Campers live in cabins while learning how to share and get along within a group setting. Every day contains a healthy balance between work and play, providing a valuable lesson for maturing youth.

Strong and devoted leadership is the key to a successful camping experience. The staff may include college students, graduates, teachers and other individuals committed to helping boys and girls become productive, law abiding citizens.

Summer Camp Goals:

- ★ Provide campers with opportunities to try new activities, learn new skills and make new friends.

What should/shouldn't I tell the Youth Ranches about my child?

In the online application, where it asks questions about the child, please be honest. We want to know as much as we can about the child to determine if they would be successful at camp.

What if I can't get another physical?

Please try to get the physical filled out on our form. Talk to your doctor's office/health department and see if they can transfer the information to our form from the child's most recent physical. As long as the physical was completed within a year from the start of the camp session, it will be accepted.

Where do I turn in the completed forms?

Once your forms are completed, scan them into your online account. If you are unable to scan them, please mail them to the camp indicated on the session label attached to the front of this brochure.

Youth Camp

When will I find out if my child/children are accepted?

Once the completed application is submitted and reviewed for eligibility, a letter of acceptance/denial/waiting list will be sent as soon as possible.

Camp Information:

Where is camp?

Caruth Camp is located at 14770 SE Highway 19 in Inglis, Florida, which is about 20 minutes north of Crystal River, in Levy County. **Youth Camp** is located at 1170 Youth Camp Lane in Pierson, Florida, which is about 30 minutes west of Ormond Beach, in Volusia County.

How do we get there?

When your child is accepted to attend camp you will receive information about transportation options. If you live locally, you may need to provide your own transportation to and from camp.

Where do the kids sleep?

Campers sleep in cabins with 11 other children of the same gender and similar age. There are also two or three staff members (group leaders) who stay in the cabin with the campers. Campers are responsible for the cleaning and upkeep of their cabins, and other camp common areas throughout the camp experience.

What if my child doesn't like the food?

Each meal has kid friendly options and is approved by a dietitian. There are many options including: cereal bar, salad bar and always peanut butter and jelly.

What if my child gets homesick?

Homesickness is our camp nurse's specialty. We will try convincing the camper to stay, but if they are truly homesick, then we will call the parents to have them pick up the camper. Please make sure that your camper is ready to commit to coming to camp for a whole week.

How much does it cost?

IT'S FREE! The only cost is your time in completing the application; getting it notarized, filling out the physical, and postage to mail it back to us.

Staff and other Campers:

What is the staff like?

The staff is recruited from all over the United States, and thoroughly background screened. They are typically college age and are working toward a degree in a field working with youth. They are energetic, compassionate about working with youth, and lots of fun!

What if my child doesn't know anyone?

Living in a cabin with 11 other campers, your child is likely to make new friends. There are other campers with similar interests who are just as nervous as your child about meeting new friends.

Are there both boys and girls there?

Each week 36 boys and 36 girls, ages 10 – 15, come to camp. There are both female and male staff members and of course, our Deputy Sheriffs.

Why are there Deputies at camp?

We have Deputies and School Resource Officers from around the state who volunteer to come to camp each summer. They are excited about joining your child at camp. Our motto at camp is "Law Officers Are Your Friends."
