**PARENTS:**

- In the morning, please drop your student off in either the circle off Palmetto (cell phone lot) or drop them off in the parking lot off Casler (parent pick-up area). Also, make sure your student is prepared to get out of the car not having to go to the trunk or the other side of the car as this holds up the car lines for drop off. This will help with traffic flow.
- **Afternoon Pick up-** For parents using our **cell phone lot** which is the lot off Palmetto Street ~ You should not be getting in the car circle line until you get the text message from your child that they are outside the building. You are holding up the line with parents that need to move forward when you get in line ahead of time. This backs up the traffic on Palmetto Street and Keene Road. You will also only be able to make a right turn exiting the cell phone loop in the afternoon.
- **Students should not arrive more than 30 minutes before the start of the school day (7:45AM).** At 7:45 breakfast is served or students may go out back to the courts. Students are allowed to go to their lockers at 8:05. At the end of the student day, students must be picked up by a parent/guardian or a designee no later than **3:15PM**. Repeat offenders will be referred to the Intervention and Appeals Committee for possible reassignment. (We understand traffic is heavy the two weeks of school and make exceptions for that.)
- Pedestrians (Parents and Students) need to use sidewalks and crosswalks.
- You may not drop students off in the teacher parking lot due to safety issues. Instead, drive all the way through and drop the students off under the awning.
- The parent pick up lot (northwest side of school off Casler) will be opened at 1:45pm for parents to come in to get in line.
