Summertime Reading Fun!

The learning doesn't have to stop over the summer! Students can access several Student Programs from any computer with an internet connection. The games are fun and a great way to learn more about reading and math! Please encourage your child to complete the activities over the summer to build on the skills they've learned throughout the year!

Summertime Reading Fun!

The learning doesn't have to stop over the summer! Students can access several Student Programs from any computer with an internet connection. The games are fun and a great way to learn more about reading and math! Please encourage your child to complete the activities over the summer to build on the skills they've learned throughout the year!

	Initial step-by-step setup: 1. Go to http://www.scholastic.com/ups/campaigns/src-2017 In the **KIDS & Families** section, click on the "**Go Now**" button. 2. On the next web page, click on the "**Register**" button. 3. Create your personal **Screen Name** by choosing words from the categories and click "**Continue**." 4. Create a **password** that is easy to remember. 5. Select a **security question** and provide an answer; click "**Continue**." 6. Select **Country** and **State**, click "**Submit**." 7. Get permission to link your reading minutes to your school by providing a parent email address. Click "**Submit**.
