

**PARENT REMINDER LETTER:**

Dear Parents/Guardians:

Pinellas County School District delivers school information and approved flyers from community organizations electronically. These school-approved e-flyers are emailed directly to you. Additionally you can view e-flyers by clicking the button on your school's website homepage.

This "green" initiative saves our schools tons of paper and reduces copy costs by thousands of dollars. On top of that, posting school flyers in this electronic backpack removes a significant administrative burden from teachers, office staff, and volunteers. **If we have your current email address on file, then no action is required on your part.** If your child has moved to a new school in the district, you will receive e-flyers from the new school. **If you have not provided your email address or your email address has changed, please update this information to avoid missing important flyers.**

To ensure smooth delivery of this communication, we suggest you add "school@peachjar.com" to your email contacts. When you receive your first e-flyer, be sure to click "always display images."

Rest assured, this system is used exclusively for distribution of school-approved flyers. Your email address will not be shared or used for any other purpose.
