

## Student Orientation

### Welcome!

As your first course assignment, please watch the three short videos linked below, then read the short *Courses Guide*. *Save a copy* of the Guide for later reference!

#### [Video 1: Getting Oriented](#)

This video shows:

- What's in a course
- How to get started
- How to stay on track

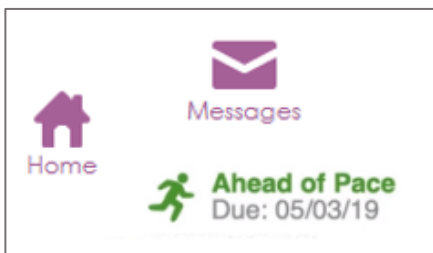

#### [Video 2: The Learning Experience](#)

This video covers:

- What's in a typical lesson
- What you'll *do* in a lesson
- How to get the most out of each lesson

#### [Video 3: Keys to Success](#)

This video outlines three keys to success:

- Stay on pace with your work
- Complete and understand your assignments
- Communicate with your teacher

#### [Courses Guide](#)

*Save a copy of this Guide!* It covers things you need to know right now and throughout your course:

- How to get started
- What technology you need
- What your teacher and school expect from you
- What skills you need for an online course
