

# ADOPT DHMS

Imagine the extraordinary costs that occur throughout a typical school year. Along with federal, state and local budgets, every year our school is charged with the task of absorbing difficult financial decisions and expenditures.

DHMS is asking our business community, individuals and families to consider 'Adopting' us school wide! In order to provide the greatest academic surroundings, including student recognition & food celebrations, we need your assistance with a taxable donation. Through essential materials for highest student achievement we can provide the best learning environment necessary for complete educational and emotional growth for all our students.

Thank you in advance for your continued support of Dunedin Middle School's family! Any questions, please call Mrs. Chesley, DHMS Bookkeeper at 727-469-4112 ext. 2006.
