READY TO LEARN 2.0 EXPECTATIONS

- We want to provide an environment in which teachers can provide high-quality instruction without one or two scholars continuously interrupting this process.
- We want scholars to know that it is important to follow the school's guidelines for success and if they don't, there will be consequences rendered.

GENERAL SCHOLAR EXPECTATIONS

- Arrive to all classes on time, each day, ready to learn.
- Come to school in appropriate school uniform colors – tops and bottoms

ELECTRONICS POLICY

- Electronic devices are encouraged to be left at home to prevent them from being damaged, stolen, or confiscated.

- Corrective Action Team Members will be issuing immediate detentions for any scholars observed committing one or more of the following infractions:

Electronic devices visible, wearing slides on campus, out of dress code, chasing each other, playfighting, using inappropriate language, skipping class

INFRACTIONS INSIDE THE CLASSROOM

- Your teachers will share their classroom management plan with all classes so everyone knows and understands expectations and corrective action steps.
- Once your teachers have exhausted all corrective action steps inside of the classroom, they will call the office to have the disruptive scholar removed from class; the scholar will be written up on an infraction form (e.g. quick referral).
