

Fall Festival RESERVED PARKING... ...and a Car Wash too!

Are you coming to the Fall Festival on October 19? How would you like to know your **personal parking space is reserved for you**, right next to the gym? Not only that, while you are at the festival bobbing for apples and browsing at the book fair, **your car will get washed to a shine** by the students from FBLA!

All this for the low price of just \$15 per car!

A limited number of tickets are on sale by **pre-order only!** Simply complete the form below and include it with your payment. **Only the first 30 orders can be accommodated, so don't delay!**

- Proceeds from the car wash will help us fund all of the activities for our chapter of Future Business Leaders of America (FBLA).
- Please note, cars must be parked a minimum of one hour in order to guarantee a great wash!

If you are interested in being a named sponsor, please contact Mr. Duseault at dusseaultd@pcsb.org
