Madeira Beach Fundamental Summer Reading Log

It is important for each child to continue reading over the summer to keep their mind sharp. Be sure to access your public library, MyOn reading from our school website, or CLEVER. We are encouraging students to read 20/30 minutes several days a week. Don't wait until the last minute. Show your child how you value reading too. We know summer is about having fun too!

Summer Reading Logs are due back to school on or before Friday, August 23rd.
