Virtual School Classroom in a Jacobson Lab with para-professional supervisor

Richard O. Jacobson Technical High School is unique in having a full-time classroom on campus for 6 periods of the day where students may study online in a virtual school classroom. Students may also elect to take these courses in addition to his/her regular class schedule. Students will register for one of these courses on the first day in our classroom. Courses listed below are for your general information and planning.

FVS = credit through Florida Virtual School and PVS = credit through Pinellas Virtual School. The number represents the credits earned for the course.

American Sign Language	FVS	1.0	Health Opportunities Through Physical Education		
French 1	FVS	1.0	- HOPE	PVS	1.0
French 2	FVS	1.0	Spanish 3	FVS	1.0
Guitar 1.....	FVS	1.0	Spanish 4	FVS	1.0
					<i>+ Higher levels available</i>

The last day to make adjustments to these requests is May 29 (last day of school).
