

Oak Grove Middle Extended Learning Program

Oak Grove is excited to offer the opportunity for your child to close learning gaps and extend their learning beyond the regular school day. We will be hosting before and after school learning opportunities just for your child.

The morning sessions will be held on Monday, Tuesday and Thursday at 8:10 to 9:10. The afterschool sessions will be Monday, Tuesday, Wednesday, and Thursday at 4:25– 5:35. A bus will be available for afterschool **only**.

Your child will be using an online learning program from Edmentum called **Exact Path**. This is a personalized learning program that is designed to meet the needs of your child in reading, and math. The paths are targeted to your child's area of academic strengths and weaknesses and is adaptive based on their progress. They will also have assigned lessons to target specific areas for schoolwide academic success.

We are offering a bus in the afternoon only with selected stops. The bus will leave Oak Grove at 5:40 PM. If your child is a car rider they need to be picked up by 5:40 PM.

Extended Learning Program
