

2019 Middle School FSA Testing Scenarios

STUDENT SCENARIO

Expected FSA TEST REQUIRED THIS YEAR

FSA Math & Alg/Geometry EOCs

6th grade students enrolled in Grade 6 Math	Grade 6 Math FSA
7th grade students enrolled in Grade 7 Math	Grade 7 Math FSA
7th grade students enrolled in Algebra 1 / Alg 1 Honors	Algebra 1 EOC
8th grade students enrolled in Grade 8 Math	Grade 8 Math FSA
8th grade students enrolled in Algebra 1 / Alg 1 Honors	Algebra 1 EOC
8th grade students enrolled in Geometry 1	Geometry EOC
6th grade students enrolled in the Accelerated options (Grade 7 Math course)	Grade 7 Math FSA

The key thing to remember is that students will take the assessment that is associated with the course code (for example if you have a 6th grader taking 7th grade Math, he/she must take the Grade 7 FSA - Math)

Any student enrolled in a math course for the purpose of course recovery	Take the FSA Math Assessment associated with the higher course level.
--	---

FSA ELA

6th grade students enrolled in ELA 1	Grade 6 ELA FSA
7th grade students enrolled in ELA 2	Grade 7 ELA FSA
8th grade students enrolled in ELA 3	Grade 8 ELA FSA
8th grade students enrolled in English 1 Honor (High School Credit)	Grade 8 ELA FSA

For ELA Writing & Reading the ALL Students will take the assessment associated with their PRIMARY Grade Level Assignment (this is the grade level reported in FOCUS)

Any student enrolled in a ELA course for the purpose of course recovery	Take the FSA-ELA assessment associated with their FOCUS grade level assignment
---	--

FCAT 2.0 Science

8th grade students enrolled in Science 3 / Physical Science Honors	FCAT 2.0 Science
--	------------------

Civics

7th or 8th graders students enrolled in Civics	Civics EOC
8th grades students enrolled in Civics for the purpose of course recovery that take the Civics EOC last year	Civics EOC
