

# TARPON SPRINGS

LEADERSHIP CONSERVATORY

*For the Arts*

Dear Palm Harbor Middle School Parents and Students,

The Tarpon Springs High School Leadership Conservatory For the Arts Dance and Color Guard Program is expanding its award winning program and will now be extending this opportunity to all Palm Harbor Middle Schools students.

We are specifically seeking students who have a desire to learn a new skill or have athletic, dance, gymnastics, or theatre background. We are looking for individuals who have a good work ethic and are interested in performance opportunities with the numerous programs we have set up throughout Pinellas County Schools.

The Palm Harbor Middle Color Guard and Dance Team would meet after school starting Monday January 13th. 2020 from 4:15-5:45 and will continue until April 27th. The Team will meet in the cafeteria for rehearsals and at the conclusion of rehearsal, all students are to be picked up in the car loop in the back of the school. The TEAMS curriculum would combine dance, drama, and performance skills, all while using various pieces of color guard equipment.

At the high school level, The Color Guard is an integral part of our Bands of America National Champion Marching Band, perform in a number of dance recitals, as well as perform in our Scholastic World Guard, who were the 2014 and 2016 WGI Scholastic World Class Champions.

If you would like more information regarding this after school program, please fill out the following questionnaire and return to your child's teacher and a member of our staff will reach out to you with additional information.

Thank you,

Jeannine Ford
