

Weekly call out message 1.10.21

Good afternoon Panthers,

This week our students will be taking their midterm exams. They will have two exams daily Monday through Wednesday and one exam on Thursday. These exams are part of the students' semester grades. Please make sure your students arrive on school on time.

Some of our families received letters regarding their students' academic performance. Please review this letter and get it back to the appropriate grade level counselor as soon as possible. If you have any questions or concerns please reach out.

If you have completed the learning option request form and are planning on your student returning for 2nd semester and are in need of a computer please complete the digital device forms found on our website and contact Mrs. Sheehy at sheehyd@pcsb.org.

I wanted to give a reminder that the application period for Magnet, Fundamental, and Career Academy Programs for Pinellas County Schools started on January 6th and runs through January 15th at 5pm. All applications are done online through the Student Reservation System (the direct link is reservation.pcsb.org) and parents **must** have a Portal/FOCUS User ID and Password to use the application system. If you have any questions, please feel free to contact the 8th grade office for assistance.

Lastly, please remember that students should not be on campus prior to 9:15 unless they are attending ELP. Students are expected to wear masks from the time they are on the school campus until they are safely off campus. Thank you for re-enforcing these expectations with your student.

Thank you.
