

10.31.21

Good evening Panthers,

This is Principal Athanson with your weekly update. Basketball is here! Please make sure that if your student wants to try out that they have their paperwork to the front office by 9am on November 1st. No exceptions or extensions will be permitted. Tryouts will be after school from 430-530. Girls will tryout on Monday & Tuesday and boys will do Monday-Wednesday. All students will meet at the gym.

Parents we ask that you have your students keep all candy at home and not bring it to school. Also, I am seeing parents parking in the visitor and teacher lots to avoid the car lines. It is a safety issue to have students walking throughout our parking lot unsupervised. We are getting numerous concerns from our surrounding neighborhoods that parents are using these areas to pick up and drop off students. Please be considerate and use the appropriate student areas. Please follow the guidelines and expectations that are in place for all families.

If you would like a free Thanksgiving lunch and snack box for your Palm Harbor Middle student please reach out to our cafeteria manager at tremblaykar@pcsb.org. You must notify her in advance and be able to pick it up between 4-6 pm on 11/18/21 in the car line.

Thank you as always for your support & please reach out if you have any questions or concerns.
