

10.5.2020

Good Evening Panthers,

This is Principal Athanson with your weekly message. As you are aware the district has sent out a message and a link to all families that want to make a change to your students learning option for quarter 2 which begins on October 26th. This link will be available from October 1st – October 6th at midnight. We will notify families the week of October 19th and let them know if we are able to honor their request. Our goal is to make sure we maintain a safe learning environment here at our school while allowing a gradual return of students to our campus. Ideally we want to honor every request. Please know that all students who are thinking of returning to campus are expected to wear a mask throughout the school day and that students have assigned seats in classrooms and the cafeteria. If you are happy with your students current learning option there is no need for you to do anything. Only those wanting a change will need to complete the form. This process will repeat again for 2nd semester.

If your child currently receives free or reduced lunch please make sure you have completed the form for this school year. You may complete this form at: www.myschoolapps.com

This week we will be selling our PHMS hoodies in the morning in the courtyard. They cost \$35. You may also purchase them online on our PTA member hub website (see the flyer). <https://palmharborms.new.memberhub.store/store>

We have ELP available for students in the morning and afternoon Monday through Thursday. Please visit our website for options.

Thank you as always for your support. Have a relaxing and restful weekend.
