

Weekly call out message 11.1.20

Good evening Panthers,

This is Principal Athanson with your weekly update. This week coming up we will be doing computer distribution for all traditional students. Students must have the completed digital device form turned in prior to them being issued a computer. Thank you to everyone who has turned in this form already. If you still need to complete this form you can find it on our PHMS website or we have hard copies in our front office. Additionally, if they have previously been issued a computer that will need to be returned prior to a new one being issued. Please remember to return your power cord as well.

The expectation is that all students will carry the computers with them daily and they should be fully charged. Each classroom will have an additional charging stations if needed.

For our MyPCS students we will set up specific time during the following week for pickup of digital devices.

Picture day is November 4th. Students will get their pictures taken through PE and Health. If your student does not have these courses we are aware and have made arrangements. For MyPCS students if you are interested in getting your picture taken you may come between the hours of 11-12. You will enter through the gate by building 7. Staff will be there to assist your student get to the designated area. Parents are not able to enter with their students so we ask you to remain in your cars.

Last, report cards will go home with your students on Tuesday November 4th. If you have any questions or concerns please do not hesitate to reach out.

Thank you and have a wonderful weekend.
