

Good Afternoon Panther Families,

I want to thank all of our school community for your dedication and support. I wish everyone a wonderful and relaxing holiday and hope your week off is filled with family and fun. We are supporting the Thanksgiving Week academic challenge as a way for students to continue to work on skills and enrich their knowledge. This link can be found on the students' clever page. We will be handing out incentives to those students who earn the highest amount of time on task. School will reopen on November 29th. Be Safe.

Video link on how to access the challenge.
