

2.6.22

Good Evening Panthers,

This is Principal Athanson with your weekly update. We have a lot to celebrate and recognize this week. Our school was recognized for winning the Million Minute Reading Challenge during Literacy Week. Congratulations to all the teachers that participated.

Monday is National Crossing Guard Day. Please take time to thank the crossing guards for keeping our students safe. This week we also recognize our wonderful School Counselors for all of their hard work and dedication to our school.

On Monday, there will be letter coming home with information related to a career program that the school counselors are using with your child, called Naviance. It allows parents to set up their own Naviance account and view your child's activities. If you have any questions after reading the letter, please reach out to your grade level counselor.

Our Food drive to support our local food bank, FEAST kicks off on Monday. Please send in any non-perishable items to your students 1<sup>st</sup> period.

Lastly, Track paperwork is due on Monday no later than 2 pm. Please see the flyer posted on our website for dates and times of meets.

Thank you and have a wonderful weekend.
