

Good evening Panthers,

This is Principal Athanson with your weekly update. I wanted to share a huge congratulations to our girls and boys track athletes for their win over Safety Harbor last week. This week our athletes will compete against Tarpon and Dunedin on the 10th at Countryside High School. Please come out and support our students.

Our 8th grade students will be attending Finance Park on different days this week. This is an annual tradition that is facilitated through our social studies department. Please ask your students what their job was after they attend.

This week we will be recognizing and supporting our “Say Something Week” This week will focus on anti-violence and increasing the use of positivity in our actions. Please see our website for the different spirit day dress up ideas.

As you know our spring break is approaching and schools will be closed from March 14- March 21st. Students will return to campus on Tuesday March 22nd.

Thank you and have a wonderful weekend.
