

5/15/22

Good afternoon Panther families,

This is Principal Athanson with your weekly update.

This week we will begin the process of collecting computers through your student's language arts classes. 6<sup>th</sup> and 7<sup>th</sup> grade students will have their computers checked in and out in the same day so they may have them over the summer. We will collect the computers from our 8<sup>th</sup> grade students. Please make sure you turn in the power cord with the computer or you will be assessed a \$25 fine. If you know you are not returning next year please let us know and we can collect the computer at that time.

Our students enrolled in Algebra and Geometry will be taking their EOC's this week. These exams make up 30% of your students final grade so please make sure they are here to take the test.

On Saturday May 14th, YOU can help to "Stamp Out Hunger" in your very own community. Just put donations by your mailbox and your postal carrier will pick them up. All donations from Palm Harbor residents will benefit the FEAST Food Pantry. Thank you for helping to support your neighbors in need.

We will be having a PTA general assembly meeting on Monday the 16<sup>th</sup> at 5:30. During this meeting we will review the budget and have elections for open positions on the board. Please join us if you are interested.

Meeting ID: 947 1618 5963

Passcode: 3sZ5A5

Our students attending the Summer Bridge program will need to apply online if they wish to receive Free and Reduced lunches. This is a change from this past year where all students received meals for free. There is a link to the application on our website. Students may bring in their lunch or pay \$2.75 for a school lunch.

Thank you.
