

8/20/2020

Panthers Families,

I want to take a quick moment to reach out and encourage all of you to visit our Palm Harbor Middle website. The website and our facebook page are our two main sources for continual up to date communication. You will find any documentation, forms, links, tutorials and videos on the website. You can access teacher emails as well.

I encourage all of you to have your students log into their Canvas accounts starting Friday. Imbedded in all of these you will find the teachers "Welcome" videos and specific information that would traditionally be discussed in Open House. If you do not know your students log in information please contact the grade level office this Friday.

A few last minute reminders and must haves: students will need to bring a water bottle, come to school with a mask on, **have their schedule with them** & be prepared to stay 6 feet apart while on campus. No students should be on campus prior to 9:15. Our basketball courts are off limits and students will not be allowed to play football and soccer while waiting for the doors to open. This are BIG changes but we have to follow them. Please review these with your students. Also, many of you have asked about supplies – we encourage just the basics and are not specific with colors, styles, etc. The one item I would encourage is a cheap pair of earbuds. We do have headphones and can clean them in between use if a student does not have their own.

I am certain this will be a fabulous year. Please feel free to reach out if you have any questions.
