

8.22.21

Good Evening Panthers,

This is Principal Athanson with your weekly update. Thank you for another amazing week here in the Harbor. Our students are simply amazing and doing an excellent job in getting to class. Parents as you have noticed our car line is getting better each day thanks to your assistance. One quick reminder, all parents must go through the car lines. We ask that you not park and have your students run through the traffic lines to get to your car. We always have safety as our first priority.

Our PTA is holding our first fundraiser – Nifty Fifty. For \$10 you can purchase a Papa John's card that will get you 50% off of all online purchases of their regular menu priced items. This is valid for 18 purchases. We began collecting Friday and will continue to through Friday 8/27. Students may turn them in at lunch or to the front office each day.

Volleyball season is here & tryouts will begin on 8/23. Try outs are Monday and Tuesday from 4:30-6pm. Practices are closed to parents. Parents please pick up your students in the back car line by the gym. Please note that in order to tryout students must have a completed physical, participation form and school insurance.

Thank you for your cooperation and support. Have a wonderful weekend.
