

## **You can now ADOPT A TEACHER!**

**Sign up to Adopt at Teacher and you will receive a wish list from the Teacher!**

During these stressful and challenging times, we would like to show our teachers and staff that they are appreciated and are the backbone to our children learning.

Whenever you feel like they need a pick me up, you can send an item from their wish list to the school and they will receive it in their mailbox.

A LITTLE TOKEN OF APPRECIATION GOES A LONG WAY
