Dear Parent/Guardian:

Upon review of testing from 1st semester, Palm Harbor Middle High School has created an opportunity before or after school for students who we feel would benefit from extra instructional time. This will help prepare your student for their cycle testing and FAST testing in May. This opportunity will allow for your child to attend tutoring sessions in areas that they have shown to need additional support.

I encourage you to have your child participate in these sessions that will be offered. Highlighted are the sessions that would benefit your student based on their test scores. The AM sessions will begin at 8:00 and the PM sessions will begin at 4:20. Sessions are 1 hour long.
