

9/7/21

Good afternoon,

Parents I wanted to remind students that flag football intermurals begin tomorrow morning at 8:15 on the football field. If students have not turned in their paperwork they will not be permitted to participate in the activity. All paperwork requirements can be found on our website on the bottom left side under site shortcuts and needs to be submitted to the front office. You need school insurance, participation form and a current physical that you get from your physician. Last day to accept any paperwork for the season is Tuesday 9/14. Just a friendly reminder that parents are not allowed to be on the field during this time. Last, please note that if it is raining we will not have intermurals on that given day.

NJHS is getting ready to start for this school year. NJHS is for our 8th grade students only. Student interested in participating must have a 3.5 cumulative GPA. There will be an informational meeting on 9/14 at 4:20 – 5:00 for students only that are interested in participating. Please visit Dr. Brooke for this meeting in the chorus room.

Thank you!
