PALM HARBOR MIDDLE SCHOOL

Palm Harbor Middle School strives to create a quality learning environment. Our tradition of excellence started in 1983 and we get better each year. We are committed to providing a variety of opportunities for exploration in the arts, world languages, business and STEM through our electives, our career academy and ELP programs. Our staff will provide high quality instruction in a caring and scholar-centered environment. We will provide the necessary resources and support to motivate, engage and promote our scholars to success.
