## SAC Committee brings on a NEW Beautification Outreach program and we need YOUR HELP!

Wanted: Committee Members, Landscape Artist, Designers, Plant Donors, Power Washers, Equipment owners, Painters, and more...

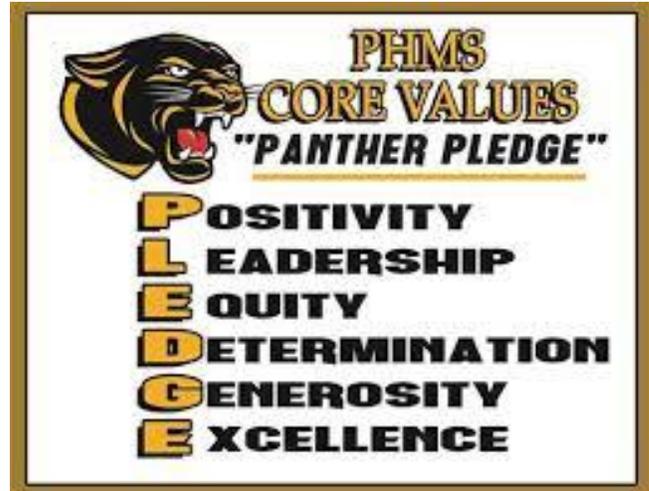

Beautiful landscaping and clean facilities push students in the right direction by giving them a wonderful space to work and grow in. Along with encouraging students to be more involved in their school, beautification teaches students how to be more respectful of the environment and to clean up after themselves. We are working on bringing special projects throughout the school year to better enhance our school and to bring environmental awareness. Please join us at our SAC (School Advisory Committee) meeting and help provide a better place for our middle school learners! **Sac Committee meets the 2nd Monday of each month at 5:00 PM.**
